Besides, Wheeling may have some other little hatchets to sharpen; and she should not wear out

It is sometimes well to look up the meaning of words before using them. One of our eastern contemporaries indulges in this astonishing combination: "The Equine Epizootic Epidemic." Webster defines "equine" as, "Pertaining to or resembling a horse;" "epizootic" as, "Pertaining to or affected by disease prevalent among animals;" and "epidemic" as, "A same time." Thus the heading translated its writer evidently supposed.

### BY TELEGRAPH.

ASSOCIATED PRESS REPORT

Exclusively to the Intelligencer. (By the Western Union Line.

### THE HORSE DISEASE.

NEW YORK, November 2.—The horse pidemic is rapidly abating. All the re-sorts from the different stables are very encouraging. The streets present a more cheerful aspect. The clear, bracing weather will doubtless prevent a return of the danger. Last night eighty-three deaths were reported in this city, and one hundred and forty in Brooklyn. Means of locomotion for want of horses are believ assight annulul. ng rapidly supplied.
Рипландрина, November 2.—Reports

of the horse influenza show that there were about 1,200 developed cases in the principal stables yesterday. They intimate further that a majority of all the Company has withdrawn three-fourths of their cars, while forty or fifty cars have been withdrawn on the other lines. All or nearly all will probably stop running to give the horses rest.

The horse disease is rapidly increasing.

difficulty in delivering their goods. CHICAGO, November 2.—The absence of

horses on the streets is more marked now than this morning even. The want of horses to move freight is interfering seri-ously with business. Already a large number of wholesale firms and transfer companies have telegraphed to the country for oxen to supply the places of sick horses. It is said that mules so far are norses. It is said that mules so far are not affected by the disease, and the pres-ence of a number of teams of these ani-mals seems to bear out the statement. It it shall prove that mules are not subject to the disorder, there will be a large numr brought here at once. On Change to day trading in four for shipment was entirely at a stand still on account of the impossibility of moving it at present. Bosron, November 2.—There is a marked improvement in the horse discase under the influence of the clear and mild weather. The strests are beginning.

mild weather. The streets are beginning to assume something like their former business appearance. Washington, D. C., November 2.—The horse disease prevails throughout Washington, though in a majority of cases in a very mild form. No deaths yet.

ery mild form. No deaths yet. CLEVELAND, November 2.—The prevaleace of the horse disease is more general to-day than on any previous day. No street cars are running in the city. There is a marked decrease in the number of horses on the streets, and an increase of Very few fatal cases are reported. CAMDEN, MR., November 2.—The horse disease has appeared here. The stable horses are all sick. The mail is carried horses are all sick. The mail is carried by one team. Not a horse can be hired. The farmers are afraid and remain at home. Trade suffers considerably. A horse has just died in Lincolnville.

OSWEGO, N. Y., November 3.—About these fearths of the horse has properly and the suffers of the horse has just died in Lincolnville.

three-fourths of the horses are effected three-fourths of the horses are effected. As yet there are no symptoms of improvement. Eighthorses died last night.

KINGETON, N. Y., October 3.—The horse disease is rapidly increasing in this city. Every livery stable is closed, and a horse cannot be hired in the place. As yet the horses along the Delaware and Hudson Canal do not seem to be much affected.

MASHINGTON, D. C., November 3.—A majority of the horses here are now suffer-ing from the horse disease. Yesterday it made its appearance in the railroad stables in full force, and in a few hours In asserting himself as soldier, general, or chief,—for a thousand years after his poor detractors have gone to a forgotton grave?

"It is the dummy driving his horse along the Jersey beach!"

No words can give any adequate delicant the benefit of a rest. Blankets have been purchased in large quantities in order to

guests were the only carriages seen. The disease appears to be slowly but surely passing away. Dispatches from Maine represent the disease spreading through-out the State.

PHILADELPHIA, November 3 .- The has laid before the Presbyterian Synod of Philadelphia, now in session at Columbia, Pa., the following question: "Is it the duty of church sessions to discipline members who knowingly vote for men who do not fear God nor hate covetousness, nor love truth?" The Synod has very wisely nonces that no cars will be run Mooday. was made to-day to run dummies on the city tracks, but was unsuccessful, the engines constantly jumping the track. Few or no cars were runing to-day. The Union line, the most extensive here, and non-cest that no cars will be run Monday. It is thought that by the middle of the week aflairs will be as bad here as they were recently in New York.

Baltimore, November 3.—The horse disease, which is now universally prevailing, has probably reached its worst stage. Of eight hundred horses owned by the City Passenger Railway Company all are sick except eleven. No cars were run today, and the probability is that all will be withdrawn for several days. Only a few fallenges on the street this morning. All the lines of street ters and one. not fear God nor hate covetousness, nor love truth?" The Synod has very wisely returned an auswer in the negative, adding that it is a measure of prerogative which no one should think exactly appro

All the lines of street cars and orn has directed the Assistant Treasurer at New York to purchase \$1,000,000 of bonds on each Wednesday, and to sell \$1,000,000 of gold each Tuesday, during the month of November. nibuses stopped at ten o'clock last night, and not a public conveyance can be seen this morning. The hack stands are dethis morning. The hack stands are de-scrited. About the only horses to be seen are those attached to the delivery wag-ons of retail dealers and a few employed

in hauling building material.

A cold rain set in at 11 o'clock last night and continued until late this morning. The weather is still damp and cold. Doubtless many horses are kept up for prudential research. rudential reasons.

NEW YORK, Nov. 3.—A cold rain pre-

valled to-day and nearly all the horses were kept in their stables to give them helter and rest. The disease seems to be abating. Very few cars were unning, and on the Brooklyn lines there was an entire suspension.

### NEW YORK CITY.

New York, November 2 .- William Mayfield was arrested last evening for al-leged swindling of merchants on an ex-tensive scale.

Advices from Gotha concerning the ex-

doration of the Norwegian, Captain Nils ohnson, represent that Johnson in re-exploring in August last, found the islands east of Spitzenbergen free of ice to the Northeastward, and indications of a powerful oceanic current serving to keep open the higher polar seas. Johnson went North to a latitude of nearly eighty degrees. Dr. Peterman, the great German geographer, is shortly to make public the discoveries of Johnson.

discoveries of Johnson.

The Hall jury say that they disagreed on the wilfulaces of the neglect alleged against the Mayor. No juryman suggested that the Mayor had committed any frauduent act. They stood all the time seven for conviction, five for acquital on a technical verdict of willful neglect.

PARIS, Nov. 3.—L. E. Gaulois has a re-port that Count Von Armine has de-manded of Thiers a disayowal of General Ducrot's order of the day, in which he speaks bitterly of the Germans

# ST. LOUIS.

St. Louis, November 3.-Wm. M. Mc-Pr. Louis, November 3.—Wm. M. Mc-Pherson, one of the oldest, wealthiest and most prominent citizens, who has been sick for some weeks past, died at his res-idence in the suburbs hast night. Mr. McPherson has been a resident of this city for thirty-three years and has been largely identified with the steamboat, railroad and real estate interests of the city, and at the time of his death was President of the Illinois & St. Louis Bridge Company.
So far there has not been a single case

So far there has not been a single case in this city of epizootic, which has prevalled so extensively in the Eastern cities, but its progress westward is being carefully watched by horse owners here and every precadition and safeguard taught by the experience of other cities has been taken to either ward off the disease or intelligently treat it should it appear.

# Nashville Races.

Nashville Haces.

Nashville, November 2.—Two races came off to-day on the Nashville Blood Horse Association course. First race, match between Double Out and Flush, at the saide two mile heats. Flush 1, match between Double Out and Flush, \$1,000 a side, two mile heats. Flush 1, 1; Double Out 2, 2. Time, 3:504, 3:514. Second race, Association purse \$200, two mile heats; Reporter 1, 2, 1; Evelyn Mabrn 2, 1, 2; Midnight 3, 3, 3. Time, 3:474, 3:474, 3:504. Flush was the favorite in the first race two to one, and Evelyn Mahry in the second Free and Evelyn

two to one, and Evelyn Mabry in the sec-ond race at about the same odds. Flush won easily. The other race was very ex-citing, and furnished splendid sport. The favorite however was beaten. Weather cool and bracing. Attendance good. River News.

### LOUISVILLE.

LOUISVILLE, November 3.—The large stone cooper shops of Andes & Brook-bank, at Jeffersonville, Ind., burned down this morning. Loss about \$30,000; insur-ed for \$12,000 in the Ohio and Missouri

companies.
This morning a Germun named Christam Undright was found by The road in the suburbs of New Albany in an insensi-ble condition. He was removed to the jail where he died in a few hours. He had been knocked down with a heavy wagon-whip on Saturday by Henry Erd man, a respectable German citizen of New Albany, and a post morten showed that death came from the blow. The verdict of the Coroner's jury charge man-slaughter on Erdman, who was arrested and not in tail.

and put in jail.

Matt Nockton and a man named Jones both steamboatmen, to-day lashed a skiff to the stern of a ferry boat and started to Jeffersonville. Near the middle of the river the skiff turned over, throwing both of the men into the river and breaking loos from the territory. cose from the ferry boat. The men wer drowned, and the skill floated on ove

### CHICAGO.

CHICAGO, November 3.—Scarcely shorse is to be seen on the streets to-day though the weather is clear and beautiful The Mayor has called a special meeting of the City Council for to-morrow night with a view to authorizing the Street Car Companies to use the dummy engines within the city limits. Adams Express state that their horses, so far, have escap-ed. There will be a good many oxen in use to morrow, some have already been put into service. Baggage wagons pro-pelled by man power are seen on the streets to night

streets to night.

The Mayor has issued a proclamation ordering the strict enforcement of the law for closing saloons on election day.

The body of John Corcoran, who had been missing for a week, was found in the river to day, with a wound in the throat, whether from a knife of an assassin or from the wheel of a propellor, is not

Arrest of Victoria Woodhull. New York, November 2.—The wom-an Woodhull was arrested this morning on a warrant sued out by A. M. Chaltis,

charging her with gross libel. Warrant were issued against the person and her partner in business, on complaint of other parties on like charges. Mesdames Woodhull & Clafflin were also arrested by the United States Mar-

shall, on charge of sending obscene publi-cations through the mails, while they were in the carriage preparing for flight with copies of their publications in the vehicle with them. On being brought before the United States Commissioner, the Assistant District Attorney charged them with being also guilty of libeling womanhood all over the country. The womanhood all over the country. The Commissioner decided to admit the accu ed to bail in;\$8,000 each, but no bail being furnished they were sent to Ludlow street jail.

# Still Living.

CINCINNATI. November 3.—A Gasette special from Xenia says that Wm. Fogwell, who was shot, and it was supposed fatally wounded, in Greene county, last Wednesday, is still living this evening. Wm. Ritchesoh, arrested on the charge of shooting him, has been held in \$10,000 to appear heaves the grand jury.

AUGUSTA, ME., November 8.—The first snow of the season fell this evening. The fall continued nearly an hour. The Thernometer marked four degrees above the freezing point. THE LATEST NEWS.

-Gov. Baldwin, of Michigan, by proc amation appoints Thursday, November 27, as a day of public thanksgiving. -The Philadelphia mint commence

nelting one million one dollar gold pieces to be changed into pieces of larger denom Twenty million of these pieces are to be used. -A special states that a train on the Toronto & Bruce Railway ran off the

ar Owen Sound, Saturday, killing Davidson Isaiah and James Sherman and seriously wounding four others. -The Coroners jury exonerate the road from blame in the late accident at Seabrook, N. H. The verdict was that the disaster was caused by the switch be-
